ConstructionSkills - Operatives – Health & Safety Test

Congratulations! You have **PASSED** the ConstructionSkills Health and Safety Test.

If you have booked the SkillsDirect service and have provided the necessary evidence requirements, your card will be sent under separate cover. If you have any queries please ring 0844 248 5262.

Please remember also that whilst passing a Health and Safety Test is an important step towards competency in health and safety, it is not the end of the process. For access to many construction sites you may be required to hold the relevant competency card.

To obtain or renew a CSCS, CISRS, CSR or CPCS scheme card or an application form please contact the appropriate helpdesk, CSCS on 0844 576 8777, CISRS on 0844 815 7223 or CSR on 028 9087 7150.

If you are a CPCS Plant Operative and require your first card, please contact your training provider. If you are renewing a CPCS card, please phone 0844 815 7274.

Visit our website www.cskills.org for further details.

MR NIKOLAS BINNING
has passed the ConstructionSkills Health and Safety
Test on 22 November 2010

in the Operatives category
Registration number

Please keep this letter in a safe place, as there may be a charge for a replacement.
